

MONALISA

Biography

MONALISA is a young, fresh French rock group that blends a definitive style of electric guitar, percussion and powerful melodies. With musical resemblances to Noir Désir, The Cure and Placebo, MONALISA sets themselves apart through their unforgettable live performances.

The group's strong stage presence is the result of their powerful energy, rare generosity and unique connection with their fans who always receive them warmly.

MONALISA has played over 300 shows and opened for musical acts BB Brunes, Aqme, Rachid Taha, Soma among others.

MONALISA is the spectacle of the French rock music scene waiting to be discovered as they continue to hone their music and embrace the spotlight on stage.
